Consultation

Side Kicks will conduct an initial consultation, free of charge, which includes a home safety check. You tell us what you need to make living at home safer and more comfortable for you. We also utilize this time to get to know you and determine what type of caregiver would work best for you. Ensuring a good staffing match is important to you as well as to us. We will work with you to create a care schedule that best meets your needs. We welcome family members or advocates to participate through out our service delivery.

Not seeing what you need....Just ask!
